**D**ear Club,  
I'd been going out with Donna for a couple of weeks. We'd met through mutual friends and I liked her a lot – she's a nurse, and a really sexy one at that: a slim, good-looking brunette, well-dressed, foxy and a lot of fun to be with. The sauciest thing we'd done so far had been to have a drunken snog in a pub one night, but one Friday a few weeks back was set to be a bit different: she was coming over to mine and I was going to cook her a meal.

Now, I'm no Jamie Oliver but I did manage to rustle up a very tasty stew which went down exceedingly well with my guest. Well, don't they say something like the surest way to a woman's fanny is through her stomach? We were also drinking a fair bit of red wine and getting very pleasantly sozzled.

She was looking great that night: she wore a cool dark T-shirt, very tight jeans that showed her slim hips and long legs off and sexy red high heels. Soon after the meal we hit the sofa and started chatting about this and that. It sounds corny but we started talking books so I offered to show her my large book collection, which happens to be upstairs in my bedroom. She said she'd love to see it.

In a short while we were lying on my bed next to the shelves, with her perusing my Bill Brysons and Roald Dahls with seeming enthusiasm. She looked absolutely gorgeous and incredibly cute. We were kind of lying head to toe and I started playing with her little feet, now unadorned by her high heels. Before I even knew what I was doing I had her toes

in my mouth, sucking on them madly. I'd never even given a "toe-job" before but I just couldn't help myself. Luckily I got a good reaction. She put the book she was flicking through aside and put her head on my pillow and closed her eyes, smiling broadly. I kept sucking away for several minutes, surprising myself how much I was enjoying this new vocation. It wasn't long before she wanted something more.

Donna pulled my mouth up to hers and hungrily found my lips like a horny goddess. I gladly swapped oodles of saliva with her while moving my hands down to pull her T-shirt off. A few seconds later her bra was on the floor as well. As I'd suspected, Donna had smallish breasts but her nipples were something else: like many small titted girls they were long and meaty and I straight away started sucking on them like I was in a horny ice lolly competition. They must have been incredibly sensitive because she quickly started gasping and moaning.

In between her cries she managed to whisper; "Please fuck me. Fuck me now." I didn't need to be asked twice. I unbuttoned my jeans to release

**“I honestly couldn't wait to sink my aching dick into her waiting pussy.”**

my engorged prick, and she did the same (She did what?! – Ed.), slipping her slim-fit jeans, along with her panties, down to her ankles. I noticed she had a nice, neatly trimmed bush and full pussy lips. Her hand immediately went for my cock, surely measuring me up for size. I don't think she was disappointed. Then she probed my hanging balls and even slid a finger in my arsehole. A bit kinky for a first session, I thought, but this was clearly a woman who was as horny as fuck, and I honestly couldn't wait to sink my aching dick into her waiting pussy.

My fingers searched out her wet crack, and boy, was it wet. I figured this was the moment we should both get completely naked, so I threw the remainder of my clothes off and

stripped her completely naked. She lay writhing on the bed, her pussy now gaping open, repeatedly asking me to fuck her hard. Not wanting to disappoint, I eased my prick into her red hot fanny. It slid in easily, and although she was very tight I soon had all of my cock inside her, making her shout out even more obscene things than she

“

**...I eagerly lapped at her sex juices and sucked on her clit.”**

already had been doing!

I ploughed into her in a straight missionary position for a minute or two, my balls slapping against her arse every time I slammed into her, and then suddenly Donna looked me in the eye.

“Fuck me from behind!” she commanded, so I pulled out, she turned over and I guided my dick back into her cunt from a different angle. As I fucked her juicy little mound I gazed down at her perfect hair, her perfect skin, her wonderfully rounded arse, and felt ecstatic at seeing my prick thrusting into her soaking love hole. I knew that it'd only be a matter of minutes before I came, so I soon figured it was time for another change.

I've always had a big thing about oral sex (Join the club, mate! – Ed. again), so to draw things out I suddenly switched my cock for my tongue in her pussy. Flipping her over again, I eagerly lapped at her sex juices and sucked on her clit. Just like her nipples, her clit was prominent and beady, and she was soon writing in ecstasy as I set about teasing and nibbling her prominent bud. She was clearly one of those amazing girls who can come again and again during a sex session, and I was delighted that with every nibble I gave to her clit she almost yelped in excitement. “That... is... so... fucking... good!” she stammered.

After a good five minutes of this, sure in the knowledge that she's already been well satisfied, I was gagging to sink my cock inside her cunt again, and I think that was what she wanted by now, too.

“Come on, big guy,” she uttered, “give me everything you've got.” I climbed back on top of her so we could do missionary, my favourite position, and proceeded to give her the hardest fucking of her life. With a bottle of red wine in our stomachs, we screwed like mad-eyed beasts. I remember thinking that she had not only the wettest cunt I had ever fucked but the tightest one too.

Slamming into her soaking snatch, I looked down and saw her urging me on, nodding and grinning and urging me to really give it to her, and that's what I did for another minute or so before I knew I could hold out no longer.

“I'm going to come!” I yelled as I felt the first twitches in my shaft.

Immediately she gasped back, “Do it on my tits! Do it on my tits!”

I didn't mind the thought of that at all, so I pulled my prick out of her honey pot and with a couple of frantic wanks of my oil-soaked shaft I sprayed thick white come all over her exquisite little tits, the first couple of jets even reaching as far as her chin and neck!

As if she couldn't turn me on any more, she then proceeded to scoop up every last bit of come with her fingers and slide it into her mouth. The look she gave me – the sexiest look you've ever seen – convinced me there and then that this was the girl for me! It also convinced me that we should fuck again very, very soon – which we did about 20 minutes later.

We've now been going out (and staying in!) regularly since then, and the fun hasn't stopped yet – in fact pretty well every time we screw I'm taken aback by just how horny she is! I guess I'm just a very, very lucky guy to have got myself a super horny nurse!

## The Childhood of a Leader

DVD £13.00, Blu-ray £15.00

The Childhood Of A Leader is a stunning debut feature by American actor come writer Brady Corbet filled with darkness and mystery. The historical drama is set in France after the First World War and is loosely based on a young boy who is enthralled by fascism and has multiple allusions to various historical dictators in the early twentieth century. This enigmatic piece is not one to miss with a powerhouse cast from Robert Pattinson to Liam Cunningham and a tremendous musical score from Scott Walker that is absolutely terrifying and enhances the spine-tingling behaviour of Tom Sweet who plays the young boy. An ambitious yet tantalising entrance for Brady Corbet, as a director and the first of many more to come.

## In Plain Sight

DVD £12.99

ITV are digging up the grave of truth in this thrilling three-part drama based on the true events of Lanarkshire detective William Muncie's (Douglas Henshall) human endeavour to bring the notorious Peter Manuel (Martin Compston) into the hands of justice.

Manuel started out as a petty thief but was later arrested by Muncie for house breaking and convicted for a string of sexual assaults. After brooding for nearly nine years in prison, Manuel swore revenge. After his release from prison in 1955, this leads him into a two-year killing spree, which claimed the lives of eight victims. Unlike most murders, there was no discernable pattern to his killings, with victims chosen at random and without motive. Which turned Muncie almost to obsession in the hunt to snare the psychopath Manuel and put a lid on his violent outpourings. A magnificently captured game of cat and mouse, written by Nick Stevens his first for television and produced by Gillian McNeill. Compston gives a truly unhinged performance of a demonic murderer who is forever reaching and feeding off the limelight his crimes produce. Taunting Henshall's character at every given opportunity, as the detective knows Manuel is behind the horrific crimes occurring but is unable to pin them down on him. A bold and much needed crime drama from ITV that shows some of the disturbing truth behind real events. If you missed it live, then catch up now on DVD.

## The Crying Game

Dual Format DVD £19.99

Set against a backdrop of the Irish Troubles, Neil Jordan's Academy Award-winning The Crying Game, originally release in 1992, charts the activities of Fergus (Stephen Rea) an IRA volunteer who helps to kidnap and hold hostage Jody (Forest Whitaker) a British soldier, who the IRA hope of using as a bargaining chip to secure the release of their own imprisoned operatives. A compelling marriage of politics, emotional turmoil and affairs of the heart, make the body of this film challenging and engaging, with exceptional performances across the board, from the likes of Stephen Rea, Forest Whitaker, Jaye Davidson, Adrian Dunbar and Miranda Richardson. If you haven't seen it yet, then this re-release will leave you with no excuse.

Modernising a classic icon, such as the turntable can often turn out to be a poisoned chalice, but Rega's Planar

Throw in the glass Platter, and the modern look is complete. But before I get carried away with its design, here are a few tech specs. # SCRUFF JUSTICE!

Please be upstanding!

## Hot Hitchhikers

Private

**Starring:** Luna Rival, Suzy Rainbow, Alana Moon, Monique Woods

**Synopsis:** "Private's tender teens have an unquenchable hunger for travel, amongst other

things, but they haven't got two pennies to rub together! What they lack in finances they sure make up for with tight teen bodies and pussy riding talents that they use to scowl the globe, uncovering life's many mysteries along the way through wild anal adventures and cock gobbling escapades. When these daring divas cum across a car filled with hard cock they don't just stick out their thumbs, they spread their long luscious legs and earn their travels. Get ready for the wildest road trip on Earth with Alana Moon, Kitana Lure, Luna Rival, Monique Woods and Suzy Rainbow in Hot Hitchhikers!"

**Verdict:** Ello, ello and what do we have here? It would appear to be a debut for one Miss Suzy Rainbow, as this busty teen goes on an adventurous walk with her driver that takes everything back to nature. So as she stands at the side of the road thumb out and skirt up, we can't help but wonder what's wrong with these drivers who aren't stopping, and want to slap the chap on the back who does. Because once he

gets a glimpse of Suzy's pert cheeks, there's no stopping him.

There's also a generous Luna Rival who puts her natural talents to good use in one scene with three guys. Needless to say with that much stiff cock on the menu Luna has her hands, mouth, pussy and arse full, as each receives a pounding

in turn. But Luna doesn't stop there and tops it all off with a triple creampie and anal fisting!

## Sorority Sisters

Digital Playground

**Starring:** Aria Alexander, Cassidy Klein, Cherie Deville, Eva Lovia, Jenna J Foxx, Johnny Castle, Lucas Frost, Ryan McLane and Seth Gamble.

**Synopsis:** "When the XOX sorority moves in across the street from her, ex-President Eva is faced with the chapter's new queen bee Aria. Eva is determined to destroy Aria's reputation the same way Aria once disgraced hers. What's a little hazing, spanking and sabotage between sisters?"

**Verdict:** Fancy a bit of fiery girl on girl action? Well, then this new release from Digital Playground could have you whiling away the long dark winter hours. With the battle of the sorority presidents, ex and current who

appear to have some unresolved beef, this sneaky war will see more squirting pussy action then you can wave a paddle at, as initiations provide some serious clout in the fantasy stakes. Who wouldn't want to see hot young things getting fruity with one another? It certainly provided a stiffening resolve when we took a very long look. Eva Lovia feels her girlfriend straying and so sternly advises against getting evolved with a sorority that has moved in across the road. But revenge is swiftly dealt when Lovia fucks rival Aria's dad! There's even a blowjob war,

as it appears everything is a competition with these girls, even with their house-mother Cherie DeVille who is providing a guiding light in the girl's sexcapades! Scene four was an eye opening fruit and lipstick beginning that progresses with dildo gobbling as Aria gets a shafting from Seth upstairs, under the watchful eyes of Lovia, as the plot thickens. We are definitely pledging for the sisters as we're sure you will too!

## BOARDROOM FARCE

I run a scaffolding business with a guy called Gary and although he is older and wiser than me we share the business equally. Recently we shared a bit more than the business. It's a small company and Gary and I run things from a small office, while our staff are out and about, so most of the time it's just the two of us in the office. Being mates we lark around a lot, and although he is in his mid 40s and I am in my late 20s, we get on. We recently decided to look into hiring a marketing company to publicise our business and had a few companies come in and pitch their proposals to us. We weren't getting very far until a mate of mine, Jon, said his sister, Sarah, had started her own marketing business and was looking for clients. I had met her couple of times but didn't remember much about her.

We invited her to come and pitch some ideas to us one afternoon and when she turned up I was taken aback and was kicking myself for not remembering more about her. She was hot.

Sarah was about my age had beautiful black skin, wore a tight skirt suit and her chest looked like it was struggling to burst out of her white shirt. There was a fair amount of cleavage on show. She had straightened her hair for the occasion and had clearly made an effort. First impressions were good.

I could tell by the look on Gary's face that he was thinking what I was thinking... We all went into the boardroom and Sarah sat

at one end of the long table while Gary and I sat at the other end. She gave a presentation about her business and what she could do for us and then asked if we had any questions. I asked a few serious questions about budgets, while Gary, being the cheeky one, asked Sarah how badly she wanted the contract. Sarah showed her fun side by giggling.

"I want it really badly," she said. "And what would you do to get the contract," asked Gary. I thought he was overstepping the mark at this point.

"Anything," said Sarah. She wasn't laughing now. Then Gary just came out with it.

"Would you get your tits out for us," he said. I nearly fell off my chair in shock and thought about how I would explain this to Sarah's brother Jon.

To my surprise, Sarah said, "As I said, I'll do anything."

Sarah stood up and slowly took off her suit jacket, then unbuttoned her shirt and then took off her bra to reveal a beautiful pair of bouncing black breasts. Gary and I just stared and I wondered what to do next. It was Gary who broke the silence.

"Would you fuck two cocks for the contract?" he said.

Sarah just nodded, walked over to Gary and sat on his lap. He started sucking and playing with her massive tits. She gestured for me to come over and I obliged. She was already taking Gary's cock out of his trousers by the time I got mine out. I stood in front of her and guided her head towards it. I was already erect and ready for her to suck me. Her lips wrapped around my shaft and she began to suck, building up a quick rhythm as she really went for it. In her hand she was wanking Gary's cock, which I don't mind admitting put mine to shame. He was a big lad.

We stayed in this position for a while, with Gary sneaking his hand up Sarah's suit skirt. Gary suggested we head over to the sofa we had in the boardroom. Sarah removed her skirt, leaving only her thong and heels on. As if it was second nature to all of us, Sarah climbed on the sofa and got on her hands and knees, with her head over the back of the sofa. Gary stood in front of her and she opened her mouth to take his big cock. She gagged slightly as the tip hit the back of her

throat, but she had clearly taken a big one before in her mouth because she carried on sucking him off.

I stood behind her, fondling her arse. I moved the thong to one side and began playing with her swollen pussy. She was turned-on, so I didn't waste any time in pushing my cock inside her.

As I fucked her I looked around her side to see her tits banging together as she took one cock in her pussy and one in her mouth. "She has this contract sealed," I thought to myself. Gary and I spit roasted her in that position for a while. Then Gary indicated we should swap round. I was keen to have her suck me again and put my cock, covered in pussy juice, into her mouth. Gary took his time to ease his length into her and Sarah seemed to take great pleasure in having his whopper fill her. I was now thinking about coming. This whole scenario was turning me on like crazy. I had never done this before - fucked a girl with another guy.

Gary was giving her a good seeing to, but I wanted to fuck her some more.

I signalled to

**“ She squeezed her breasts together, engulfing my cock and began to rub it up and down.”**

Gary that I wanted some more and he nodded. I suggested Sarah lie on her back on the table. I got on top of her and slid my cock back inside her as she wrapped her legs around me. Gary climbed on the table and put his cock in her mouth, face fucking her. Without warning, Gary pulled out and let out a moan, flooding her open mouth with sperm. Sarah was trying to swallow it all but it was going everywhere. I carried on, bucking my hips as I screwed her quicker and quicker, looking at her jizz-covered face. Sarah pointed to her tits and said, “Put it there.”

I took my cock and placed it in her cleavage. She squeezed her breasts together, engulfing my cock and began to rub it up and down. I began moving my hips in tandem, tit fucking her. I

**“Ramming my cock deep into her hole until, after a minute or so, I pulled out and shot a long arc of jizz...”**

didn't even try to hold out longer. I blasted my spunk all over her – tits, face and neck. Seeing Sarah rubbing my mess all over her lovely black skin was an image that will stay with me for a very long time. We got dressed and relaxed with a few drinks. Ever since then Sarah has done a great job for us.

#### GOING DUTCH

Last month I was on holiday near Malaga with my wife, but unfortunately she's a bit of a sun-worshipper while I can't really think of anything worse than roasting on the beach all day long, so by the second day I was twiddling my thumbs a bit and looking for something else to do. Janet, my wife, has always been perfectly happy to be left with her book at the beach, so I arranged to meet her back at the hotel for a drink before dinner while I headed off to see what else I could do.

I soon found myself wandering round the old part of town, checking out the cathedral and stuff before settling down in a smallish café for a spot of lunch. I didn't have a book or anything on me, so perhaps I was looking a bit forlorn, because suddenly I felt a tap on my shoulder. Turning, I recognised a woman who was also staying at our hotel who we'd smiled at a few times in the lobby. She was probably about 35 or so, petite, and had lovely auburn hair, so when she asked me if I'd care to join her for lunch I found myself agreeing readily enough.

As we ate I found out that her name was Helen and she was Dutch, and it seemed that she had a rather similar problem with her husband as I had with my wife, only to such an extent that they'd been holidaying apart for the last few years.

“Wow, and you trust him, holidaying on his own?” I asked as we chatted, and this made Helen smile.

“Well,” she said, “I don't really have to trust him. You see we have an open relationship, so he's free to do whatever he likes on holiday – as am I.”

As she said this she looked me in the eye, a suggestive look on her face. Immediately I felt my cock give a twitch in my shorts as I realised the implications of what she'd said, and how they might apply to me!

“Oh, I see!” I said, and Helen suddenly laughed.

“You're blushing,” she smiled again. “Perhaps you don't approve of our arrangement?”

I thought fast, and, figuring that I was probably in line for some action I replied, “Not at all. In fact my wife and I have a fairly similar sort of relationship.” She arched an eyebrow quizzically before replying, “I'm very pleased to hear it. In that case, perhaps you'd like to escort me back to the hotel?”

My mouth went dry, but I nodded and smiled, and quickly settled the bill.

As we walked back to the hotel she slipped an arm around my waist, and I did the same to her. Her hips were slim, and swayed suggestively as she walked, and even though we were still a good few minutes away I felt my cock swelling further as she pressed her body against mine and I thought about what was to come.

Once we got up to her room, which was on the floor above ours, Helen excused

herself and went off into the bathroom while I made myself comfortable. I didn't want to look stupid, so I kept my clothes on and sat on the bed, my mind racing, but suddenly my mind went a complete blank when she emerged from the en-suite completely naked. Her breasts were the first things that caught my eye – I'd imagined they were pretty fine from the odd glimpse I'd had in the café, but in reality they were a lot better than even I'd imagined. Full by firm, they were probably a C cup and looked absolutely perfect on her slim frame. Next I checked the light brown patch of pussy hair between her legs as she strode towards me – manicured, but still sufficiently furry for my tastes! “Still dressed?” she smiled. “Are you sure you've done this sort of thing before?” she added, with a wicked grin. “Well, only a few times,” I confessed, getting a bit nearer to the truth, but she didn't seem to mind at all as she stood in front of me. For a moment I just admired the view of her wonderful boobs before leaning forward and sucking her right nipple into my mouth, reaching up to tease the other at the same time. She wrapped her arms around my head and held me close and I flicked and teased her stiffening nipple with my tongue before transferring my attention to the

other one. I kept this up for a while, figuring that we weren't in any sort of hurry as it was only around 2 o'clock, but eventually Helen pushed me away and, standing me up, knelt down in front of me. I stood, motionless as she gently undid the front of my shorts and eased them down. Suddenly my cock sprang from its confines, making her laugh as it bounced out in front of her. Looking up at me, she slowly moved her head forward until I could feel her hot breath on the tip. I closed my eyes in ecstasy as she enveloped my manhood in her mouth, closing her lips around it and sucking gently

while her tongue swirled around the underside of my shaft.

Again she took her time, but even so I knew that I wouldn't be able to withstand that sort of attention for too long, so now it was my turn to push her away.

Clambering out of my clothes, I manoeuvred her round so she was lying on the bed, and this time it was her pussy I paid particular attention to, at first just teasing it with my fingers, smearing her juices all round her lovely dark lips, and finally leaning forward and caressing them with the tip of her tongue. I knew that once we started screwing I'd last about 30 seconds, so I wanted to make sure that she came first, which meant plenty of licking and nibbling of her clit. Sure enough, as I sucked it into my mouth whilst simultaneously easing a couple of fingers deep into her love hole she clenched her thighs and juddered through a massive climax.

After that I couldn't get my cock into her quickly enough, and the sensation as I slid between her oily, swollen lips was divine.

Looking up at me, she urged me to fuck her hard, which was pretty much what I'd had in mind, ramming my cock deep into her hole until, after a minute or so, I pulled out and shot a long arc of jizz up over her firm stomach and beautiful tits.

After a rest we bathed together and had another bout, before I left her for the evening, but we 'saw' each other five more times before her holiday was over.

Needless to say, my wife was none the wiser, although her tan was pretty impressive by the end of the week!  
Adrian,

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## NYLON NIGHTS

My boyfriend Neil has an insatiable sex drive. I don't know the proper name for a male nymphomaniac but whatever it is, Neil definitely is one. He often drags me away from my friends for a quick fuck and, although it can be embarrassing at times, I'm always open to his attentions.

Apart from our nightly bonk, and the inevitable poking I get bent across the kitchen worktop while I'm trying to make the dinner, Neil likes the thrill of fucking outdoors. That's one thrill we share in particular. We both get a rush from the risk of being caught. That's why I always wear a short skirt for easy access when we go out together.

Not long ago, we were walking home one night from our local when he grabbed my arms from behind and pulled me into one of our neighbours' gardens. He looked around, satisfied that we were unobserved, before marching me deeper into the darkness. I glanced over my shoulder at him, smiling at the determined look in his eyes as I stumbled on my spiked heels. He is a foot taller than me, much heavier and unbelievably strong, and I love it when he becomes macho, so I didn't try to resist.

Looking me over approvingly in the dim light,

he ran his hands over my tits, then down to my hips. Then, with a low growl of lust, he forced his hands up my skirt and kneaded my buttocks. Leaning down to me, he kissed me hard, his tongue tasting of tobacco as it slid softly between my lips. Electric sensations shot through me, amplified by the feel of his hands which had drifted down to my thighs and were caressing me through the sheer nylon of my tights. The chill night air made my nipples stiffen as a breeze played against the thin fabric of the silky blouse I was wearing. He looked down at me as if asking for permission, then grinned when he saw me lick my lips, knowing I had no intention of disappointing him.

I unzipped him and withdrew his erect cock, which was already hard and standing proud. "Balls, too," he said, and I gently eased his sac outside his boxers. Neil's equipment is impressive by any standard. His shaft is large and thick and he keeps his balls neatly trimmed.

"All right, but I want it up my bum," I demanded confidently, and his eyes sparkled in response. Taking a condom from my bag, I rolled it down over his gorgeous cock. He held his member upright for me, displaying it like a prize exhibit in a show. It pulsed with energy as the pink, shiny condom enveloped his length without a wrinkle.

I raised my short skirt and he pressed his cock against the crotch of my tights. As I felt his boner saw against my labia through my panties and tights I moaned and leaned into him, reaching down to caress his shaft with my long nails. He shoved his cock stiffly between my thighs and dry-humped me, his pelvis thrusting back and forth as he pleased himself against the sheer fabric of my tights.

I hung on to Neil's neck with one hand and explored his superbly muscled body with the other. My nipples responded, swelling eagerly as I pushed against him to increase our excitement. Finally, he picked me up like a toy and turned me around, encouraging me to place my hands on the back of an old garden bench.

I was breathing heavily as he roughly ripped a hole in the back of my tights and pulled my panty gusset aside. Pushing my arse back in to him, I spread my legs wider and tilted my hips upward so that he could penetrate me more deeply. Knowing Neil, I had correctly

anticipated this stop-off on the way home and had already lubed up my anus in the ladies' toilets back at the pub. When you live with a man like Neil, you need to think ahead and prepare!

He nestled his cock warmly against my twitching sphincter. Then he thrust gently into me, and I relaxed so that he could fill me with his massive organ. My tight channel resisted him at first but soon gave way as he pressed forward to gain entry to my rear.

With one hand massaging my clitoris through my tights, he steadied himself with the other while shunting back and forth in my hot back passage. My legs quivered as I felt my climax approaching. Then, with his thumb and forefinger, Neil pinched my clitoral bud, making my twat spasm rhythmically as I orgasmed. With his cock fully wedged inside me I came again and again until I was quietly sobbing for breath.

Neil waited for me to recover before continuing to saw his erection back and forth inside my rump. At last, with one final plunge he began to ejaculate, groaning as he sank his rock-hard shaft balls-deep in my ring with one long, ruthless, cum-spurting thrust. I felt him jet squirts of junk deep inside me again and again, convulsively draining himself, reluctant to withdraw from the hot, liquid clench of my flesh. For my part, I pretty much swooned at the sensation of his huge cock spasming inside me as I felt the uncontrollable pleasure of another climax engulf me.

Our contractions slowed as we spent ourselves and he withdrew his flaccid cock. I felt the cool air on my bare bumhole as I straightened up, holding on to him for balance as I tottered on my high heels. Then he kissed me tenderly, smiling as he zipped up and wiped a lipstick smear from my chin.

I tugged my skirt down, and we walked home together holding hands, a thoroughly satisfied couple. There's never a dull moment with Neil around!

*Christie, Cheltenham.*

#### NYMPHO NUTS

My friend Simon has been a constant source of annoyance for ages now. If I've heard it once, I've heard it a million times about his 'nympho' girlfriend and his wonderful sex life. Well, I say friend, he's more of a work colleague who is always up for a few drinks when a group of us go out. I clarify this, in order to make me feel better about what happened recently, and why I find it a lot easier to take when he informs me of his previous night's activities!

It was last week, when we were having some of the aforementioned drinks, that he finally decided to bring Karen to meet us. On seeing her, I've got to confess to a little envy initially, as she was gorgeous; and in keeping

“  
...one movement had  
the tip of my cock  
against her tongue.”

with what he had said radiated sexuality! She was an incredible flirt, and seemed prepared to let all the blokes know she was up for it. It also seemed that Simon's way of dealing with this was to drink faster and in larger quantity than usual! Anyway, Simon was so plastered that he eventually was taken home by one of our more sober friends, leaving me talking to Karen, who had certainly had a few.

Feeling mischievous in her boyfriend's absence, I brought up the subject of his sexual bragging. To my surprise she merely replied, "Oh yeah, I know he tells everyone. In fact I'm quite glad as it saves me from chatting people up. I mean, you know you're going to get some, right?" I had never had a girl say something that I had been clearly thinking before! My embarrassment was soon heightened by her getting up, and in front of the group leading me by the hand to the gent's toilets. Within seconds we were in a

cubicle pressed against each other, and she was speedily undoing my belt and kissing and biting my neck. Freeing my rigid dick, she stared wildly into my eyes and held my cock in the tips of her fingers. As she worked up a steady rhythm the sensation was incredible and I groped for her pert tits. Barely as I had begun to tweak her nipples, she slid down my body to her knees, and in one movement had the tip of my cock against her tongue. Looking down I saw her lips envelop my cock and my shaft disappear.

Chewing hard on my bottom lip I desperately concentrated to stop myself from shooting straight into her delicious face! Knowing I could take no more as she began sucking my balls and wanking me at the same time, I pulled her head away and began to turn her round. Instinctively she bent right over, placing her hands on the toilet's cistern as I unhooked her skirt, letting it slide down her hips to the floor. She was wearing no knickers, and she widened her stance and arched her back to reveal the greatest sight I had ever seen! Looking over her shoulder, she said "Both holes!"

Entering her from behind, she let out a little yelp, and grabbing two handfuls of arse I began to fuck her pussy as hard as I could. I could hear that some of the other guys were in the toilets, enjoying what they could hear as I then began to ride her tight bumhole to her relentless screams of "More!" This was no gentle introduction to anal sex – she really wanted a pounding and squealed with pleasure the harder I went. She began to moan that she was cumming and holding her mane of hair in my right hand, and removing myself with my left, I sprayed a jet of spunk between her arse cheeks and all over the small of her back. I'm sure I could hear a little cheer from the other side of the toilet door, but was past caring in my joyous state! To this day, Simon has never found out, but now when he talks about what he's done the night before, I'm more than happy to listen with a knowing smile.

Don't waste any more time...text her now...

We've got 100s of ladies on our books...from 19 to 78 years old and they come (or should I say cum!) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock and

they want to have mobile fun with horny, fun-lovin' guys like you.

**MARTA** 

If you're up for a relaxing yet pulse raising evening, then Marta is a guaranteed to help you unwind with her pole dancing skills. As she shimmies up and down a solid rod, flashing her rounded derrière and curvaceous body, you may be tempted to think of something else you'd like Marta to slide up and down on. You're not alone on that score, so without further ado, I'll let you get on with uncaging this minx.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Jackpot!

If you were subject to a banking glitch that gave you access to \$1.5 million dollars what would you do? While you think about, let us give you the example of Australian Law student Luke Moore, who after discovering the bank had accidentally given him a \$1.5 million (\$2.1 million Aussie dollars) overdraft, went to town playboy style. Living life to the max, Moore blow through the entire lot spending it on sports cars, holidays, boats and

ahem, strippers, without the slightest chance of ever paying it back. Of course, the St. George bank brought the law down on him, and Moore received four years for fraud. But after only five months Moore's out and living back at home with his mother, after the Supreme Court overturned his sentence for fraud, as the St. George bank was never misrepresented in Moore's account being overdrawn.

Move over Heff, there's a new kid in town!

## Tunnel Vision!

At times we've all wished we could stick our head in the sand, but taking that analogy literally ended up in a whole heap of trouble for one man. 22-year-old Gregory Marrow, 35-year-old Jerry Boatman and a dog, were pulled by police in a routine traffic stop at 7:30 am, but instead of complying both suspects started an unnecessary car chase in there Chevrolet Tahoe. The chase was cut short for safety reasons, and so

the police deployed Ariel search, where boatman was spotted on foot and arrested. Marrow was, however, slightly more tricky. After locating the dog, investigators were lead to a badger hole, where they heard screams from inside. Marrow in a desperate bid to escape had climbed into an 8-foot badger whole and gotten stuck. The Authorities spent a number of hours digging him out before they were able to arrest him.

If your staying for tea, it's grub sarnies!

## Smoke Screen!

Love thy burglar!

The Lord moves in mysterious ways, as one Pastor in Ghana found out. After returning early from Sunday service Pastor Asare Nyarko and his family found the door to their property forced open and all the lights turned off. The bulb in the hallway had been removed, and the meter closed. The police advised the Pastor to take pictures of the scene but failed to escort the gentleman and his wife home. Returning to church, the Pastor gathered several Elders and returned home, where they discovered a 27-year-old half

naked man laying in the Pastor's bed, sleeping like a baby. After the religious posse had managed to rouse the suspected bugler from his deep sleep, he was carted off to the local police station, where he confessed to having attempted to rob the house twice, before falling asleep after smoking pot. Who new marijuana could fight as well as induced crime?
